We had a whole heap of challenging, probing questions lined up for the lovely Nataly and Vera. However, when we turned up, dictaphone in hand, we couldn't get their attention for more than a cursory 'hello'. Nope, while our questions hung in the air like a bad smell (by the way: not guilty), they fucked the hell out of each other. Tongues, toys, twats and lots of things that don't even begin with a 't' were all in play, with Vera taking her mouth off Nataly's pussy just long enough to tell us that she hadn't had sex for 3 weeks, hence how ravenous she was for cunt. Vera was more than happy to be the recipient of such close attention. As you would be. In the end, we just gave up with the questions and settled in for a very pleasant afternoon watching two ladies do things of little biological purpose but of intense aesthetic interest. It got messy, it got wet, it got noisy and everyone left happy. And when we left, it certainly wasn't with dictaphone in hand. Oh no... **JG**

Tea

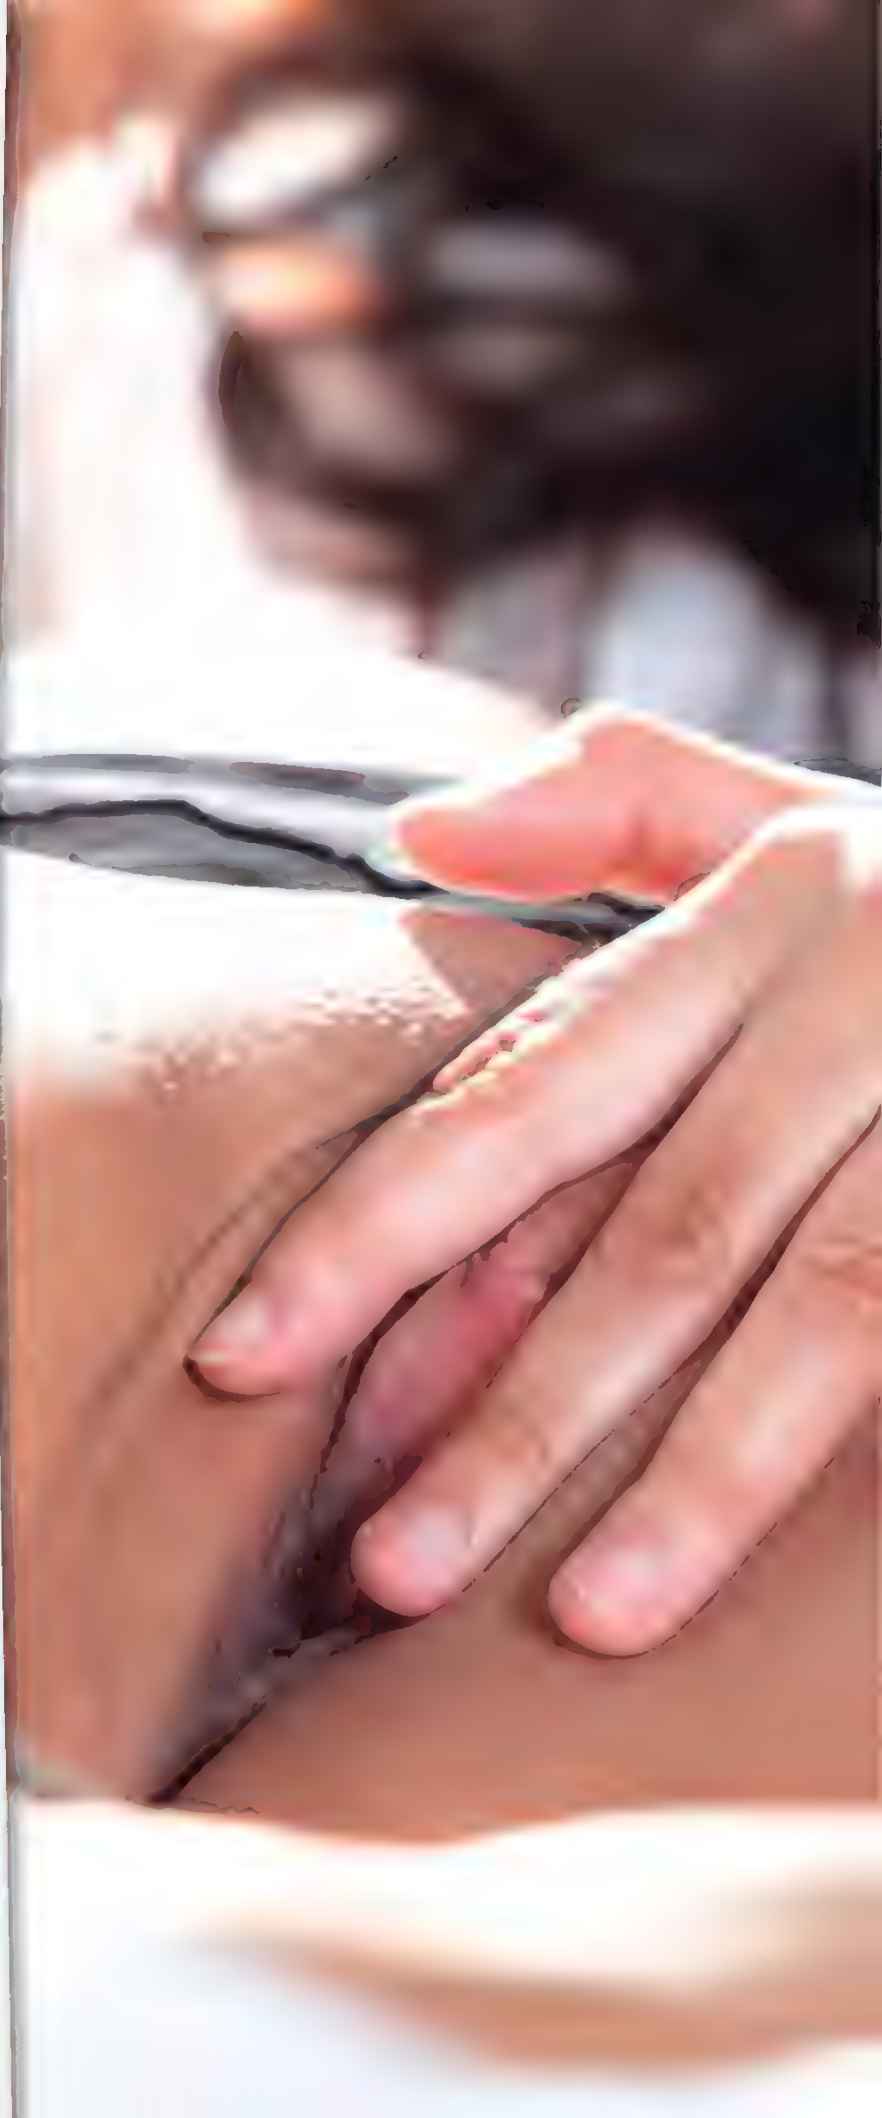

You can tell the popularity of a beverage – approximately, mind you – by how many models name themselves after it. We don't think we've ever had a Coffee or an Ovaltine grace these pages, but stacks of Téa's and Tea's. Fittingly enough, this Téa, a cutie of Californian stock, is hot enough to leave our bags looking empty and shrivelled, just like the office PG Tips when we've had to re-use them for the 5th time due to budget cutbacks. We asked Téa whether she was an Earl Grey or a Lapsang Souchong girl, but she just gave us a withering look and told us she only drank cocktails. Figures... JG

Renee

So let's all extend a warm Just Girls welcome to Renee Perez, a Las Vegas lovely who for some reason has never graced the pages of this fine publication. But how has she managed to resist the lure of an appearance in one of the nation's most prestigious top-shelf titles? "Well, I've been kinda busy," was the lame excuse she came up with when we cornered her over pre-shoot tea and chocolate digestives. "I've been making movies, modelling in the US and basically just getting on with my career. A girl can't just hang around doing nothing, waiting for Just Girls from the UK to come calling [laughs]." Fair comment, we agreed, that would be ridiculous, and a slap on the wrist to us for not discovering Renee's talents much sooner. Thankfully, our tardiness hasn't been to our detriment, as Ms. Perez appears to be in somewhat of a purple patch at present, and indeed recently bagged a nomination for Best Solo Scene at the AVNs for her sizzling performance in the masturbation flick, Solamente 2. Yes, here at Just Girls we've definitely got our fingers on the pulse of pom. Even if it is sometimes by accident... **JG**

Yay! It's one of our faves, Yurizan, and while we'd like to say that we managed to lure her back for this shoot, in actual fact this is a set of pictures that – rather mysteriously – we've been sitting on for a couple of years and never got round to publishing. Now before you start getting all irate and accusing us of holding back pics of the delectable Yuri, you ought to know that we didn't hold them back out of malice – no, it was sheer incompetence. The set got filed in the wrong place, you see, by someone who shall remain anonymous (we don't want any death threats, thank you very much!), and it was only when we were moving office the other day that these pictures turned up. Well, once we'd prised the pictures out of the Ed's trembling hand we knew we owed it to our public to stick them in the magazine as soon as possible, so here they are. It's Yurizan Beltran, folks, but through the prism of two years of neglect. Spooky, eh? JG

Amber

Following the considerable swelling in our mail sacks that followed Amber's debut appearance earlier in the year we knew we had to get her back in the studio pronto – if only so we could take another gander at her wondrously figure and resolutely old school nadder! So, how's life been for the naughty northerner since appearing in print...? "It's been amazing!" she gushed. "I'm not the sort to hide my light under a bushel [We'd noticed, love! – Ed.], so when the edition of the magazine that had me in it was printed I couldn't wait to show all my friends. A few of them were shocked, but most of them were really complimentary! In fact I've almost persuaded a few of my girlfriends to give nude modelling a try themselves. And as for the men I showed... well, let's just say there's no expense a fella won't go to to try and woo a glamour modell!" Well you've certainly been wooed. Very wooed indeed, you naughty thing! JG

Quest

Everyone lets their hair down a bit at this time of year, don't they? But then these three girls decided to let their knickers down as well...

Name: Dawn

Age: 27

From: Swindon

My husband and I have been avid readers of *Mayfair* for several years now, and although we're both pretty horny I never dreamt we'd have a story of our own to contribute one day – but all that changed this Christmas.

One of my best friends, Kate, had recently split up with her husband, and knowing that she was facing a Christmas on her own I invited her to come and stay at ours for the duration. My husband Pete didn't put up any objections, and Kate was glad of the company, so it was all agreed. Pete and Kate have always got along anyway (I'd often teased him in the past for fancying her, which he never quite managed to deny convincingly), so the first evening she was over we were all quite relaxed together as we had a few drinks and chewed the fat.

Eventually we broached the subject of Kate's marriage, and I asked her why it was they'd split up. She went quiet for a bit at this point, before saying there were lots of reasons, really, but ultimately they just hadn't been compatible. Pete asked exactly how, and Kate blushed.

"Well," she said after a moment, "for example sexually we weren't very well matched. He was hardly ever up for it, while I like to..." she trailed off at this point, but we both got the message.

"So how have things been since you split up then?" I asked, and she admitted they were pretty

"I couldn't help marvelling at the size his cock had swollen to..."

terrible. Apparently she'd never been very into the whole dating thing, and so now she was single she was getting even less sex than she had before.

At this point a wicked thought occurred to me, and I glanced across at Pete. I caught his eye and, clearly realising what I was thinking, his eyes widened in astonishment.

"Is there anything we could do to help?" I asked, my pussy moistening slightly as I thought through the implications.

"Aside from letting me borrow your husband, I don't really think so," Kate joked, but then she saw the look on my face and realised that 'borrowing my husband' was exactly what I had in mind.

At this she flushed bright red, but I reassured her that we were all grown-ups, and I wouldn't mind at all if she borrowed him for the night. At this point Pete turned to me and said:

"Well, I think it would be fairer if you joined us as well!" and he grinned as the prospect of bedding both of us sank in.

Well, we were all a bit nervous, but there was no going back, so we finished off our drinks and all headed up to our bedroom.

"Umm, so how do we start?" Kate whispered, and I thought I ought to take the lead to make her feel more relaxed, so, as we all stood there, I unbuttoned my blouse and, having let it drop to the floor, unclasped my bra. As my boobs fell out in the open I heard Kate gasp and then, without further ado, she pulled off her jumper and removed

flowed from her. Mmm, it tasted a bit like my own juice, but it was bubbling hot, and I gulped the stuff down as Kate finally convulsed to the end of her climax.

When she was done Pete pulled his cock from her mouth and lay on the bed beside her, holding his stiff prick straight up. Kate got the message and clambered on top of him. I watched on and marvelled at the sight as she straddled him and slowly eased herself down onto his pole until Pete was eventually buried ball-deep in her soaking quim. Frankly I didn't think he'd be able to hold out too long, and sure enough he grabbed her arse cheeks and began to ram into her from underneath. Reaching in between his legs I cupped his heavy balls in my hand as his shiny cock slammed into her snatch, Kate practically screaming with pleasure each time he drove his length up into her.

Unsurprisingly it was only a minute or so before I felt Pete's balls start to contract, and, eager not to waste his seed I pulled his rod from her pussy and, just as the first jets began to spurt from its tip, I sank my head over the end, gulping down his wonderful jizz just as fast as he pumped it out. In the end, though, there was too much for me, and I pushed his dick back into Kate's gaping hole, where he deposited the rest of his spunk before they both slumped back on the bed.

Well, that was just the start of three of the wildest days of our lives, and Kate's coming over again next week, so we're hoping this continues well into the new year and beyond.

Name: Zoe
Age: 22
From: Barnet

The great thing about Christmas is that for a little while most people try to put their problems aside and enjoy the holiday spirit, and while I had split up with my man a few months ago, when he phoned trying to get back with me I decided in the spirit of the season to mull it over.

It's not like he ever rocked my world but we'd mostly muddled along well enough and I had missed having a warm body in my bed. The real problem is that Andy is not especially exciting, either in or out of bed, and I have an extremely passionate nature.

Thinking, however, that perhaps I had not given it my best shot the Christmas before, I set out to make this one a damn sight more steamy. I had fun shopping with my girlfriends for sexy lingerie and some kinky sex toys from the adult shop in the town centre. I even strung up lights and mistletoe in the living room, and, trying to get into the mood I opened a bottle of bubbly and sang along to a CD of Christmas hits.

It was looking good when I noticed the room was growing chilly. I put my hand on the radiator. It was cold. I tried all the usual tricks to get the boiler working again, but eventually called the number which the last guy to service the boiler had left stuck to it.

I almost cheered when I found I was in luck. They had a man working in a house close by and promised to put me next on his list. I was a little tipsy by the time he arrived and forgot I was only wearing a sexy little red basque with matching

her bra as well. Her boobs were lovely – a bit smaller than mine but very perky, and Pete made an appreciative murmur before walking towards us and cupping one of each of our boobs in his hands. Then, without saying a word, he bent his head down and sucked one of her pink nipples deep into his mouth. Kate moaned, and it was clear she hadn't had this sort of treatment for a while. Wanting to join in, I suddenly had the urge to suck the other one. I'd never had a sexual relationship with another woman before, and now here I was, running the tip of my tongue over my friend's nipple while my husband did the same with the other.

It was clearly all too much for Kate, whose knees buckled a bit as she stood between us, and so we lay her over to the bed and lay her down. She just lay there, totally passive, and Pete undid her jeans and slid them – along with her panties – down her long, shapely legs. Now it was my turn to gasp, as her lovely trimmed bush came into view, and my eyes ate in the sight of her as I stripped off the rest of my clothes. Pete, meanwhile, was throwing off his clothes like his life depended on it! When he was done I couldn't help marvelling at the size his cock had swollen to – he was clearly looking forward to this alright!

Eager to get on with things, Kate beckoned Pete

over and brazenly grabbed hold of his cock, pulling him towards her until, after licking her lips greedily, she sank her mouth over his throbbing pole, sucking him deep down her throat and making him groan with pleasure.

Nervously I figured I ought to attend to that inviting looking fanny of hers, so as she set about sucking my husband's prick I eased her thighs apart and ran my finger up and down her glistening crack, making her tremble as I teased her slippery labia before I slipped a couple of fingers inside her. This was all new to me, and although I've played with my own pussy millions of times the sensation as I felt my fingers slide into someone else's was electrifying. Kate seemed to feel the same way as she started writhing her hips and grinding herself down onto my hand.

By this stage I was getting curious to know what another woman's cunt actually tasted like, so while I left my squirming fingers inside her I lowered my mouth down over her clit and gave it a teasing nibble. This pushed Kate right over the edge, and her body jerked as a massive orgasm crashed over her, her copious juices slicking my hand as she thrashed around on it. I pulled my fingers from her glistening, gaping hole and clamped my mouth over it, lapping away at the sweet nectar as it

thong and stockings. It had been my plan to dress in lingerie to get Andy in the mood when he came by to pick me up later that evening. When the doorbell rang I just had time to grab a raincoat from the hall-stand to make myself respectable.

I opened the door expecting the usual grubby middle-aged bloke. I almost wet my knickers in disbelief when instead I was confronted by a muscular Adonis in butt-hugging jeans and a pristine white T-shirt that looked like it was sprayed on over his six-pack and pecs. He was like a fucking film star, and my jaw almost hit the floor

“My hands gripped his buttocks as he slid his cock between my labia...”

when he gave me a cheeky wink and asked what he could do for me. It was only then I realised that in my surprise I had lost my grip on the front of my coat which I had been holding closed, accidentally giving him an eyeful of my sexy lingerie.

Because I was a little tipsy and his hot body was making me react like a bitch in heat I decided to brazen it out. Licking my lips in what I hoped was a tantalising manner, I mentioned that my heating had gone off and that I was feeling the cold. With a grin he told me that I looked hot enough, but

that once he had sorted out the boiler he would definitely give me a hand to warm up if I liked.

There was no point pretending that I didn't want him, and as soon as he had set my heating to rights we went straight up to the bedroom. As he undressed I could not help comparing his body to that of my ex. While Andy regularly worked out, he did not have the same well-defined muscles this guy, who'd introduced himself as Tony, had. Oh, and Tony was so much better hung. In fact, his cock was superb, long and thick with a beautiful big deep red helmet. Just looking at it made me long to suck it and greedily I began licking the tip, tasting his delicious pre-come before sucking his cock deep inside my mouth.

Bobbing my head on his thick shaft I sucked it as deep as I could while he played with my tits. My panties were soaked from my juices and when he gently pushed me off him and laid me on the bedcovers, I spread my legs wide in anticipation. Lightly he stroked the inside of my thighs, before pulling the tiny gusset of my red lace thong aside and delving his tongue inside my moist slit. My whole body quivered as tremors of excitement pulsed through my cunt and when he gently stroked my clit, just once, I came hard in his mouth.

He breathed heavily in excitement as he licked me out, teasing my pussy-lips but always keeping me on the brink of another orgasm. Then he was pulling my panties right off and mounting me as I lay ready and willing with my legs splayed wide.

My hands gripped his buttocks as he pushed his stone-hard cock between my slippery labia with one easy stroke. My pussy tingled and my back arched as my buttocks tightened and I thrust my hips upward to meet his probing rod. With a laugh of triumph he began fucking me, using long hard strokes and setting my pussy alight with frenzied sensations of pleasure. My pussy was red hot and I was totally consumed by my need for release. Digging my nails into his flesh I began humping him back until our bodies were slamming into one another, and we came with loud cries, Tony filling my pussy with his warm spunk.

He gave me second helpings before excusing himself and going off to his next call. But I knew he'd be back for more.

As for Andy, by the time he eventually turned up all he wanted to do was drink some wine and talk about the new rules for us getting back together. I listened with a smile on my face before turning him down. After all, I now had a new man on the job, one who wasn't likely to run out of stamina.

Name Melanie
Age 25
From Sutton

New Year's Eve is hard work these days, when you need a ticket just to get into the pub and all the clubs ramp up their prices as if you get showered with gold as soon as you walk through the doors. So last year, me and the girls decided that instead of blowing serious amounts of money going up town we'd just go down the local.

Gillian picked up enough tickets at the beginning of the month and I got in enough bubbly for all ten of us ladies so we could start the party at mine while we got ourselves ready.

That wasn't exactly a good idea, ten girls in a two bed flat with only one bathroom mirror between

us, but it certainly meant that by the time we'd all finally got ready we were all in the mood for a good time.

The pub was heaving when we got there, you couldn't walk in, you had to wriggle in like fish in a basket. And that was the perfect start to a night of wildness.

I know it's a cliché but champagne goes straight to my head and does funny things. I get horny, to be blunt. And there I was, in a pub full of people having a good time, dressed up in a shimmering silver cocktail dress that was so tight I was naked beneath, my body tingling all over, and bodies being rubbed up against me from the moment I walked in!

By the time I reached the bar I was feeling so frisky that my eyes flicked everywhere, checking out all the guys, imagining what they'd look like between my thighs, thrusting away.

Still, it was New Year's Eve and I was out with the girls. I tried hard not to think about getting shagged. Which didn't last very long when Kat ordered five bottles of bubbly.

A couple more glasses and I could think of nothing else but sex.

"God, I'm horny," I said aloud. It wasn't worth keeping it to myself, after all.

"You're always horny!" laughed Shelley.

"No, I mean it. I could really do with some cock."

"It's New Year's Eve, not Get Some Cock Eve!" cried Julia, the whole of us laughing.

"I don't care, I'm not going to be able to enjoy myself properly unless I get laid, and soon," I said. Once I'd made my mind up, there was a moment of clarity. I was going to find a man, drag him into the toilets, and have him fuck me hard and fast.

So off I went, on the prowl. The place was packed with men, of all shapes, sizes and styles, and in the state of mind I was in they all looked pretty sexy to me. This was going to be easy, I thought.

But the trouble was, the music was so loud and the place so packed that it was difficult to speak to anyone intimately. Squeezing through the crowd made it almost impossible to stop. It did mean, though, that finding the guys who were up for it was very easy.

I squeezed past one guy who turned round, arms in the air, and rubbed himself up against me,

whooping as he did. I could feel his dick press up against my groin and couldn't help raising my self up just a little to rub my clit against him. I could have taken him by the hand and led him away, no problem, but a girl likes to window shop a little.

Winking at my friends, I waved my arms in the air and disappeared into the throng. It was a thrill ride! I squeezed up to guys and girls, felt them rub dicks and tits up against me, having the time of my life.

Then I smoothed myself up against a guy who was the perfect height and looked him in the eye. Instead of waving his arms around and whooping over my head, his hands slid down my body and over my hips and he stared right back at me, grinding himself up against me. I could feel his dick

"He pushed my dress all the way up, cupping my breasts in his hands and sucking..."

getting harder as I brought my arms down around his shoulders.

I kissed him, my tongue deep inside his mouth, for what seemed like an age. I had an intense urge to pull up my dress and rub my clit hard. Instead, I took his hand and pulled him through the crowd.

Neither of us said a thing, we didn't need to. I was taking him into the toilets to fuck me and he was man enough to come with me.

You knew there was going to be a queue, but I can be a right rude bitch when I want to be and I pushed my way straight through, pulling my beau behind me. Barging in, we slipped straight into a cubicle as another girl was coming out.

The sound of women all around us bitching landed on deaf ears; all I wanted to do was fuck and I was going to do it either in a cubicle or right in front of them all. I think they'd have a little bit more to say if I was that blatant.

My fuck friend shut the door behind us and I pushed him hard up against it, kissing him again and pulling my dress up, exposing my pussy.

With our tongues slithering in each other's mouth, I pulled at his belt and yanked his trousers down over his hips, fishing his now hard cock out of his pants. I tugged on his meat – fuck, I was so horny

I would have sat back on the toilet and fingered myself right in front of him if he didn't have a hard on right then.

A few pulls on his meat later and this stud had spun us round, pinning me up against the door. He pulled my thigh up around his waist and reached for his dick, rubbing it hard up against my clit, smearing my copious juices over us both.

His length slid easily into me as his hands gripped my thigh and waist. Then he started fucking and I started groaning. All the girls outside could hear it all, the moaning, the rhythmical knock of the door as my man pounded himself into me, the wet kissing; everything.

He pushed my dress all the way up, cupping my breast in his hand and sucking noisily on my nipples, chewing on them and teasing them until they were rock hard.

My orgasm was closing in and I slipped my hands inside his pants and dug my nails into his arse, pulling him onto me, wanting it harder and faster. The amount of noise I made when I came must have been heard outside the ladies loos, not to mention the long list of 'fucks' I spilt out.

He was on the verge himself after this, and a few more thrusts later he pulled out and pointed his long, thick cock, slick with my cunt juice, up at my belly. It seemed the right thing to do for him, grabbing his meat and wanking him fast. His come shot out and up my body, splashing over my tits and neck and spattering the inside of my dress.

I rubbed his seed into my skin, giving him my sexiest look, before pulling my dress down and opening the door. And I left him there, alone in the ladies toilets, his cock out, as I went to find my mates and get back into the New Year's Eve spirit.

Veronica

Ah, Veronica – proud owner of one of the world's greatest bums! We'd always wondered exactly how she managed to end up with such glorious glutes, and now, it seems, we have an answer – swimming! "Er, no, not really," the girl herself tells us. "I used to do a bit of swimming when I was at school, but I certainly didn't do enough to change the shape of my bum at all. I can't really think why it's ended up so noteworthy, although of course I'm glad it has – as are all the guys I've ever been out with!" Hmm, well so much for that theory, then. Perhaps all swimming really gives girls big shoulders and frizzy hair. Either way, we're happy enough to credit Mother Nature with Veronica's jacksie – as long as we get to feast our eyes on it whenever we like! **JG**

Anastasia

Anastasia is a game girl. Not many females of our acquaintance would be up for stripping off – bum and everything – in the grounds of a beautiful country house. Especially when it was open to the public... "I don't think any security saw us," giggles Anastasia, "but I did see a few inquisitive tourists peering over. It probably livened up a boring day!" It certainly did ours. "I quite like flashing in public, but not as much as I like sex outside. Give me some trees or a horrible car park and I can find something to do that's sexy and fun. I can't even cum in bed any more – I need my arse to be resting on a cold concrete ledge or have my knees in a pile of leaves!" Let's just hope the coalition doesn't sell off all the woods. Where will Anastasia go? **JG**

A woman with short, curly brown hair and red lipstick is posing in a room. She is wearing a white strapless bra, white lace underwear, and white thigh-high stockings. Her arms are raised, and she is holding a blue rectangular sign that says "Connie". The background features a large, ornate chandelier, two framed pictures of floral arrangements, and a bed with white linens.

Connie

Conny's one of the classiest girls to have wormed her way into the hearts of Paul Raymond readers these last few years, but from all the sets we've seen of her, she definitely seems to have stepped up a gear this time round. Then again, when you've got a snapper as well versed in the ways of lingerie as Holly Randall coupled with one of the prettiest, curviest babes in the business, the results were always going to be worth looking out for! So, how's Conny planning to spend her upcoming birthday, anyway? "Hmm, you're probably hoping for some sort of sexy answer," she told us, "but to be honest I'm probably just going to spend it with my family." Not to worry – coming from you dolled up like that, it's a sexy enough answer in any case! **JG**

Simony, that corset doesn't look very 'quickie friendly'. A man could lose his wood trying to get that off you. "Ah, but look closer," says the European minx. "It doesn't actually cover anything important. I can pull my skirt up for access to my pussy, and my top down for access to my tits. Perfect!" Thank fuck for that, we were worried you were going through a chastity belt period. "You know me better than that, surely! I like fetish wear, but nothing that gets in the way of my sex drive. I'm the kind of girl who needs cock when she needs cock, straight away with no messing around. I can't be waiting around for clasps and buckles and zips and ropes and laces. I just want to part my pussy and stuff a big fat cock deep inside it." Ah, now that's the Simony we love.. JG

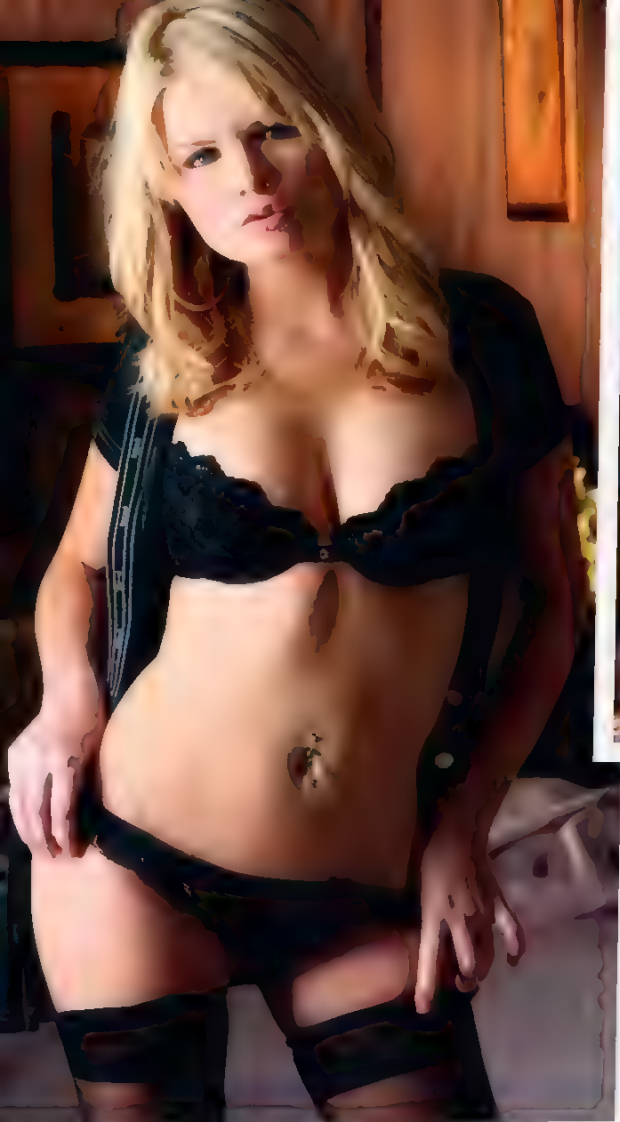

Simony

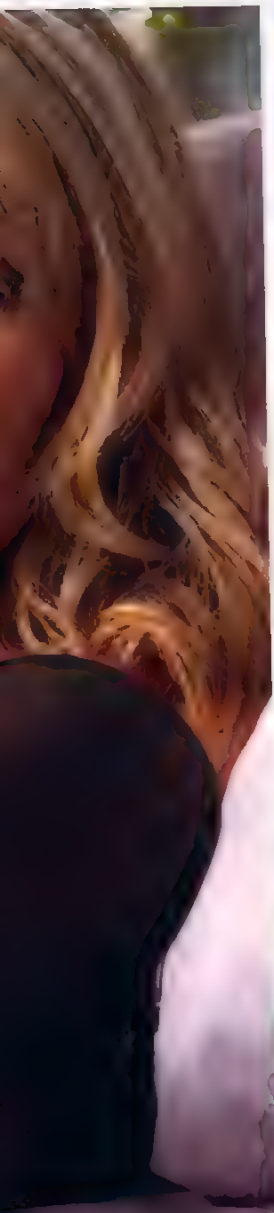

Pint-sized poppet Alexis Ford's one of the biggest names in the business right now, with her stunning looks, raw sexual energy and impressive work ethic all combining to put her at the very top of the pile – but what's she really like underneath all that showbiz glitz? "I'm just a regular sort of girl really," she muses. "I like doing the same sort of things as any other 24 year old likes doing – going to the movies, having a few drinks with friends – partying!" And, a little bird tells us, starring in the new 50 Shades of Grey porno! "Oh yeah, and that! it's amazing – way better than the book!" Well it was pretty well bound to be, wasn't it? **JG**

A full-page photograph of Nicole Aniston. She is sitting on a bed with white linens, leaning back on her left arm. She is wearing a white spaghetti-strap crop top and a white short-sleeved shirt that is open and draped over her shoulders. She has long, wavy blonde hair and is looking directly at the camera with a slight smile. The background is a bright, out-of-focus room with a window and some furniture.

Nicole

Mmm, the sight of love goddess Nicole Aniston, reclining casually on a bed, her shapely thighs falling open casually to give us a good look at one of the most inviting looking pussies in the industry – surely there's nothing hornier than that this side of a viagra'd up herd of rhinos! How on earth does the poor girl manage to get on with her life, when if she had any sense she'd spend all her waking hours lying in front of a mirror toying with her spectacular bod?

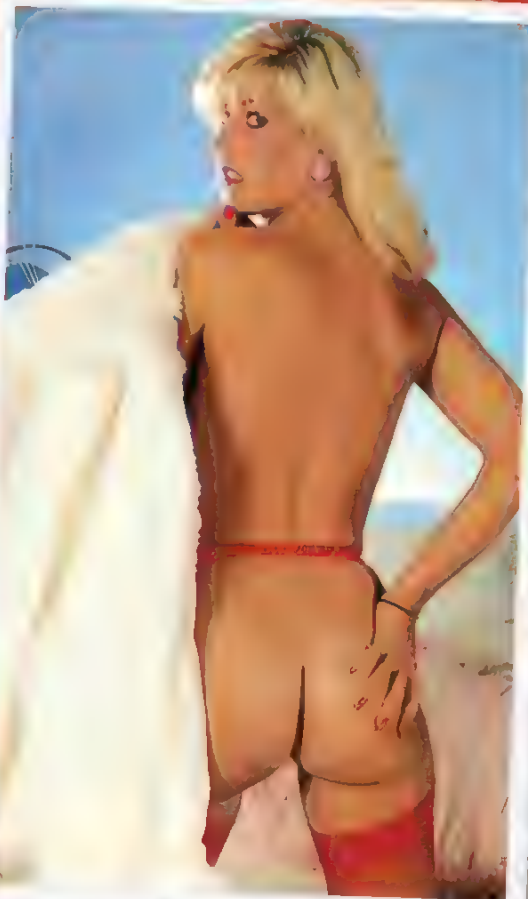

"Well, you kind of get used to it after a while!" she smiles, "although I have to confess, I do rub one out most days – although not usually looking in the mirror! And besides, I do have a job that lets me play with my pussy whenever I want to, so between work and a little bit of me time in the morning and whatever I might get up to at night, I manage to live a pretty normal life in between!" We're very relieved to hear it, Nicole! Now why don't we wind up all this blather and all rub one out together...? JG
